

SportsEd – BTEC cost effective CUSTOMISED TEACHER TRAINING – delivered in your school/college or via our virtual classroom

We have bespoke training opportunities on offer during March/April 2012 - you tell us what you need and we'll prepare and deliver it!

Great use of an INSET date if scheduled pre/post Easter!

We can cover all aspects of BTEC delivery and assessment, the new Quality Assurance procedures effective NOW and changes to the BTEC Level 2 specifications 2012. We can also cover essential information relating to QRD, LIV and SV. It's a great opportunity for developing if:

- ✓ you want a plan in place to get struggling learners to pass level or ideas to improve the grades of those with the potential to meet merit and distinction profiles
- ✓ you want to investigate an individualised way to approach the new 2012 specifications
- ✓ you want to refresh your teaching ideas during the summer term to fully engage your 2012/2013 BTEC cohort(s)
- ✓ you need an audit of your quality assurance mechanisms in case you are selected for confirmatory sampling next academic year
- ✓ your staff would benefit from refreshing their ideas regarding all aspects of delivery and assessment
- ✓ all your BTEC subject areas would benefit from a drop-in session to talk through/review all aspects of their BTEC delivery, assessment and quality assurance mechanisms.

If so, we have limited availability during March/April at significantly discounted rates – a cost effective way of training your team. Why not make the day even more cost effective by **inviting partner schools to attend - further reducing costs!**

The following dates are currently available (on a first come- first served basis):

Tuesday 27th March to Friday 30th March

Monday 16th April to Friday 20th April

<u>Discounted Rates*:</u>	Face to Face	Virtual Classroom
